Too often, instead of taking time to share happy memories and spending time with those we love, the day is spent making endless cups of tea and worrying about making enough sandwiches.

The Rumbling Tum can do as much or as little as you choose, setting up while you are at the service. On your return we will have tea, coffee or drinks ready to serve, along with your chosen food.

If you wish, our discreet uniformed staff can keep everyone topped up, and most importantly take all the washing up away once your guests depart, or return later.

Our aim is to make the day as stress free as possible, so that you can spend precious time with your loved ones.

We can even send the invoice to your solicitors or funeral directors to be paid from the estate.
